In common with the general community, the operating staff has been affected by the present epidemic of colds and influenza and has been seriously depleted in consequence. At the same time the volume of telephone calls has greatly increased. So many people are ill at home that the telephone has been used continuously, and the load of extra calls on our depleted operating force has been very heavy. Please heep this extraordinary situation in mind and use your telephone only when absolutely necessary. You will thus be helping to keep the Service intact to meet the urgent needs of the com-munity in the present emergency.

Ontario Emergency Volunteer Health Auxiliary

Wanted Volunteers!!

The Provincial Board of Health, with the authority of the Government of Ontario, has organized an "Ontario Emergency Volunteer Health Auxiliary" for the purpose of training and supplying nursing help to be utilized wherever needed in combating the Influenza outbreak. A strong executive has been formed in Toronto. It is strongly recommended that each municipal council and local Board of Health, working in co-operation, take immediate steps to form a local branch of this organization. The Volunteer Nurses will wear the officially authorized badge "ONTARIO S. O. S." (Sisters of Service). This "S. O. S." call may be urgent. Classes taking lectures are already opened in the Parliament Buildings, Toronto (Private Bills' Committee Room, ground floor), where they will be carried on every day at 10 a.m. and 3 p.m. until further notice. Young women of education are urged to avail themselves of this unique opportunity to be of real service to the community. If they are not needed, so much the better. If they are needed, we hope to have them ready. All towns and cities are urged to organize and prepare in a similar manner.

A Syllabus of lectures is being sent to the Medical Officer of Health of all cities and towns. Further information may be had on application to John W. S. McCullough, M.D., Chairman of Executive, Parliament Buildings, Toronto, Telephone Main 5800.
